

# Mongolia: Investors' Forum

14-15 September 2006 • Government House • Ulaanbaatar, Mongolia

Dear Sir/Madam,

It is our great pleasure to announce that the Mongolia: Investors' Forum will take place on 14-15 September 2006 at the Government House in Ulaanbaatar, Mongolia. We are delighted to present this event in partnership with the Foreign Investment and Foreign Trade Agency (FIFTA) of the Government of Mongolia and Bank of Mongolia (The Central Bank).

Accelerating economic growth and integrating Mongolia into the global economy has become the number one concern of the Government of Mongolia. Foreign investments in agricultural products, construction, energy and telecommunication sectors, light industry and tourism are much needed. This event will analyze the potential investment opportunities being made available to global investors.

Through keynote speeches, interactive panel discussions and special focus workshops, delegates will have a unique opportunity to meet with and hear from Mongolia's key decision makers. Our expert speakers include senior policy makers, leading global investors and Mongolia's top private sector professionals. They will provide a unique insight into the opportunities available in this emerging market.
